EXCELLENCE IN EDUCATION

An IMPACT Presentation

Edvance Group

Ms. Barkha Gulani, Vice President (Quality Assurance), receiving the awards for Excellence in Preschool Education - Central Mumbai & Pune

Edvance Pre-schools was setup in 2008 as a joint venture with EtonHouse Singapore. The company's twin prime objectives are to draw on global best practices and provide solutions to the educational problems in the Indian subcontinent and to facilitate women to return to work post maternity.

Founder and Chairman Dr. Arun Arora and Founder and Group CEO Anshul Arora lead the group. Arun Arora has a distinguished corporate career and is the former President and Executive Director of Bennett Coleman & Co. Ltd. Anshul Arora is a Harvard Business School alumnus and has worked extensively with Mc. Kinsey and Co. across offices in Asia, Europe

and the United States.

Company is pursuing its objectives through Vivero International Preschools and Childcare Centres. Vivero International Preschool is inspired by the Reggio Emilia approach of Northern Italy and Inquiry-based Learning. It is based on clear principles of delivering joyful, holistic, child centric and experiential learning. Vivero International Childcare lays emphasis on security, safety, hygiene, warmth and age appropriate activity to facilitate excellent overall development of the children. Both offerings conform to the high world-class standards. At present, Edvance Pre-schools delivers holistic educational experiences to 8,000 young children over 40 centres in India.
