The Chairman's Note

Dear Parent,

As we turn the pages of another vibrant chapter at Vivero International, it brings me immense joy to welcome you to this edition of **Vivero Times**, a celebration of our children's journey, big and small.

This issue captures the spirit of togetherness and achievement through glimpses of some of our most cherished moments, Republic Day, Graduation Day, the Annual Concert, and our joyful Playdate. Each event reflects not just participation, but the confidence, creativity, and camaraderie our children are nurturing every day.

In *What's the Buzz*, we are especially excited to showcase the **Vivero Bazaar** - Young Entrepreneurs Market. Rooted deeply in our philosophy of experiential learning, this parent-led initiative created opportunities for children to explore ideas, collaborate, create, and engage with the world around them in meaningful ways. It beautifully reflects the strength of our school-home partnership in shaping enriching experiences for our children.

Our *Mentor Corner* offers thoughtful insights on navigating the important **transitions to "big school"**, a phase filled with anticipation for both children and parents alike.

And finally, in *Inside Scoop*, we bring you an exciting preview of our upcoming **Summer Camp - Voyages & Discoveries**. This 16-day immersive journey, thoughtfully designed for children aged 2 to 6 years, promises exploration, creativity, and joyful learning in a nurturing environment. We look forward to welcoming our young explorers to what is sure to be a memorable summer experience.

As always, thank you for being our partners in this beautiful journey of early childhood.

Warm regards,
Dr. Arun Arora, Chairman

Mentor Corner

Big School Transitioning

Transitioning to Grade 1 in a "big school" is an exciting milestone for every child. At Vivero, our pedagogy is thoughtfully designed to ensure this step is smooth, positive, and confidence-building. Our curriculum framework reflects a balanced, child-centred approach that nurtures independence, resilience, and a genuine love for learning; equipping children both emotionally and academically for the next stage of their journey.

We are intentional in ensuring that all essential learning goals are meaningfully achieved across the six key learning domains. Through rich, engaging experiences and strong foundations in reading, writing, and early mathematics, children develop the skills and understanding needed to transition into formal academics with confidence and ease.

Equally important is our strong emphasis on 21st-century skills, particularly the 4 C's - Critical Thinking, Creativity, Collaboration, and Communication. Through inquiry-based activities, group projects, discussions, and problem-solving tasks, children learn to think deeply, express their ideas clearly, work effectively with others, and approach challenges with confidence and innovation.

Therefore, our learners move on to "big school" not only well-prepared, but empowered, self-assured, and excited to embrace new challenges and opportunities.

The Inside Scoop

The Great Summer Expedition Begins at Vivero!

This summer, Vivero invites young explorers on an exciting journey of Voyages & Discoveries - a 16-day immersive camp designed for children aged 2 to 6 years.

From water experiments and ocean adventures to treasure trails and big building challenges, children will explore the world through hands-on, inquiry-based experiences rooted in Vivero's Reggio-inspired pedagogy.

Across two Explorer Expeditions, children will:

- Discover how things float and move
- Navigate using maps and directions
- Solve engaging daily challenges
- Design and build as a team

The camp unfolds across four exciting quests-Waves & Wonder, Sea Adventures, Trailblazers & Treasure Trails, and Build It Big!-each offering unique opportunities for exploration, creativity, and collaboration.

The journey culminates in a vibrant celebration where families are invited to experience children's learning through interactive showcases and shared moments of discovery.

A summer of curiosity, collaboration, and joyful exploration awaits!

Join us for

The Great Summer Expedition

This Summer, Let Curiosity Lead the Way.
Boats that truly float. Maps that lead to treasure. Bridges built strong - together.

15th April to
6th May 2026

Event Report

Play Date

Play is the language of childhood, and at Vivero, it becomes a joyful pathway to learning and discovery. Through play, children explore the world around them, express their ideas, and build meaningful connections with others. Our schools have been buzzing with exciting Play Date activities, filled with laughter, curiosity, and joyful learning. These special days bring children together to explore, interact, and engage in meaningful play experiences.

Through our play dates, we celebrate the belief that children learn best in a social setting. Thoughtfully planned collaborative games and themed activities create opportunities for children to interact, share, and work together, helping them develop essential social skills such as empathy, cooperation, and teamwork.

Engaging activities like art, craft, puzzles, and building games strengthen fine motor skills and improve hand-eye coordination. As children observe, think, question, and solve simple challenges during play, they naturally enhance their cognitive abilities and curiosity. Imaginative and theme-based experiences further nurture creativity, language development, and self-expression. These joyful moments encourage children to participate confidently, communicate their ideas, and explore new possibilities.

Together, these play dates support holistic development by nurturing children's cognitive, physical, social, and emotional growth!

Small Steps Big Wins

Vivero Graduation Day

Vivero Graduation Day was a heart warming celebration of our little learners as they took their first proud step toward a new chapter. It marked a beautiful journey of growth, confidence, friendships, and joyful learning.

We celebrated not just their achievements, but the bright beginnings that lie ahead. Here's to our young graduates and Vivero Graduation Day their exciting new adventures!

Happy Graduates

We are Vivero Graduates

Young Achievers

Republic Day

At Vivero International Pre-School and Childcare, our little learners celebrated Republic Day with fun and learning! The day was filled with stories about our nation, crafts like making Indian flags with loose parts, and engaging circle time discussions on the significance of Republic Day. Through creativity and conversation, children explored patriotism, teamwork, and national pride in a joyful, nurturing environment.

I Love India

In Unity There Is Strength

Patriotism Begins Young

Annual Concert

The Vivero Annual Concert this year was a truly special celebration, bringing together two vibrant themes, “Light, Camera, Dance!” and “Twirl Around the World”, each reflecting the joy, creativity, and boundless energy of our young performers.

Through “Lights, Camera, Dance!”, children stepped into the spotlight, dancing to iconic songs from different eras and exploring a variety of styles, showcasing rhythm, expression, and imaginations, bringing a unique sparkle on stage. Complementing this, “Twirl Around the World” took the audience on a colourful journey across cultures, where our little stars expressed themselves through lively dances and charming dramatic elements, celebrating diversity with confidence and enthusiasm.

At the heart of both these themes lies our school’s belief that every child is a confident, capable individual who thrives when given opportunities to express themselves. Events like the Annual Concert are an extension of our philosophy, creating meaningful experiences where learning goes beyond the classroom.

Most importantly the evening filled with proud moments and bright smiles, gave the children a sense of accomplishment and joy that stays with them long after the curtain close.

What's the Buzz

Vivero Bazaar

Vivero Bazaar - The Young Entrepreneurs Market was a truly remarkable experience and a proud extension of our Entrepreneurship Program, a 21st-century learning framework thoughtfully designed for our children at Vivero. Rooted in real-world experiences, the Bazaar reflected our strong commitment to nurturing future-ready learners by empowering them to think, create, and communicate with confidence.

Across all our schools Pan India, the campus spaces buzzed with excitement on Saturday, 21st February, as our young entrepreneurs proudly showcased their ideas and innovations. Each child selected a product or project they felt passionate about, turning simple ideas into meaningful creations. From handmade artwork, clay models, jewellery, and decorated planters to delicious homemade treats such as cookies, cupcakes, popcorn, and sandwiches, the variety on display was vibrant and impressive.

Parents played a vital role as lead partners, facilitating discussions at home, supporting planning and pricing, and preparing their children for the big day while ensuring their voice remained central throughout the process. Teachers carefully laid the groundwork through meaningful circle time conversations and thought-provoking provocations that sparked curiosity and encouraged creative thinking.

Visitors enjoyed engaging storytelling corners, interactive game booths, art stations, seed gifting projects, and eco-friendly initiatives thoughtfully curated by the children. The event seamlessly introduced young learners to concepts like idea generation, decision-making, value creation, and foundational business literacy in a joyful and age-appropriate way.

The Vivero Bazaar was not just a marketplace, it was a dynamic celebration of confidence, creativity, collaboration, and communication, beautifully bringing 21st-century learning to life!

Vivero Parent Testimonials

Our experience with Vivero International School's PreNursery has been truly heart-warming. From the moment we walked in, I felt like we were welcomed into a closeknit family. The teachers know my daughter by name and treat her and us with genuine care. They tune into her unique needs and nurture her growth holistically, celebrating every tiny milestone as if it were their own. I love how they keep me in the loop with daily updates, photos, and quick messages that make me feel right there with her. The school's proactive approach to seasonal festivals, parent-child workshops, and little celebrations creates a community where we all share laughter, memories and milestones together. Being part of this warm, supportive environment fills me with gratitude and confidence that my child is thriving in a place that truly cares.

Kanika Daver and Zubin Daver, Parents of Amari Daver

Juvika has completed now 2 years at Vivero and it has been an amazing journey for her starting from 8 months of her age.

We don't think we would have found a better and safer place than this.

I would like to thank all the teachers, support staff and the management for all your help and creating such a safe and pleasant environment for infant and toddlers.

The entire school has done a great job and the trust has become so strong that I never feel the need to check the CCTV.

This has become her second home, please continue the great work.

Jonali Bhagwati and Manoj Sharma, Parents of Juvika Sharma

We are thrilled to announce that our child has successfully completed three months at Vivero International Preschool, and it has been a profoundly heart-warming experience for us as parents.

Selecting a preschool for our daughter was a critical decision, as the initial educational environment plays a pivotal role in shaping a child's personality. We are delighted to have found that Vivero not only understands this fundamental principle but has also consistently exceeded all our expectations.

The school offers exceptional children's engagement programs, meticulously designed to ensure every child feels completely at ease and comfortable within the school environment.

The activities implemented at Vivero have significantly contributed to our daughter's learning and growth in a mere three months. Each activity is thoughtfully conceptualized to address the holistic development of the children. Furthermore, Vivero consistently organizes numerous parent-inclusive activities, which greatly enhances a child's comfort level at school.

Adding to these positive aspects, the school administrators, teachers, and staff are remarkably approachable, ensuring that all our inquiries are addressed promptly and efficiently.

Our daughter is growing up fast and we are grateful that Vivero is accompanying her on this journey!

Madhulika Patnaik and Abhijit Mohanty, Parents of Aayra P Mohanty

Choosing the right school for our child is one of the most important decisions as parents, and we feel truly grateful to have found Vivero International Pre School and Child Care for Agastya.

From the very beginning, the warmth, care, and genuine affection shown by the teachers made all the difference. Seeing Agastya happily walk into school every day, with excitement and curiosity, is the biggest reassurance for us.

Over time, we have watched him blossom into a more confident, expressive, and joyful child. It's not just about learning—it's about how beautifully the school nurtures each child's individuality with love and patience.

We deeply appreciate the effort and dedication of the entire team in creating such a safe, happy, and enriching environment. It truly feels like a second home for our child.

Anupriya Sharma and Ankit Verma, Parents of Agastya Verma

I would like to share my heartfelt thanks to Vivero team for being such a support in my motherhood journey. We started with the Infant Care and now my child is already an energetic toddler. Their care and attentiveness towards my child impress me. The curriculum is designed to help children grow and reach their milestones effectively. I am grateful for their help in shaping my child's development and preparing him for the world.

Sonal Shreshta, Mother of Krishang Kashyap
